WHY SHOULD I INVEST IN AN EXTENDED SERVICE AGREEMENT?

Failures happen even to the industry's top equipment. With complex replacement parts and the need for expert technicians, the costs to service your equipment are higher than ever.

With **Premium Protection Plan** you can rest assured if the unfortunate happens to you, you are covered!

- ✓ No Deductible
- ✓ No Limit On Repairs
- ✓ Covers **ALL** Brands
- ✓ Affordable Protection

COVERAGE:

Most manufacturer's limited warranties do not cover labor, however, with **Premium Protection Plan** 100% of the labor charges associated with your repairs are covered. Based on the plan you select, our agreements may even extend the manufacturers limited parts warranty, ensuring your equipment is fully covered for both parts and labor.
